Subject:	Add gentoo-portage mirror
Description:	As per support ticket #10941, add a gentoo-portage mirror.

Doesn't seem very large:

204M   /var/db/repos/gentoo

As 12-hourly cron job rsyncs it in and it's served by rsyncd.

More info:

https://wiki.gentoo.org/wiki/Local_Mirror

History
