Subject:	Send data transfer notice emails from a different address		
Description:	The repeated nature of the data transfer billing emails seems to make them end up being considered spam by some people. It might help if they were sent from a different address.		

History

2010-11-23 18:00 - admin

- *Status changed from New to Closed*

Emails about data transfer are now sent from xfer@billing.com.
